

1. Continue CRP Program
With priority of Contracts
that are in place with protection
of base on those acres.
2. Continue CRP sign ups
acres to be separated from
County Cap acres of
25 @ 1/2 Cent limitation.
3. Noxious Weed fund to help
pay cost of control and
incentives to promote crop
rotation without losing base.
4. Natural Resource Conservation Programs
need funded as this is every body's
future, but not at FSA Comodity's
expense.

over

5. Water use in agricultural
is necessary to maintain
production in Western States.
Therefore we need some protection
of ag use water.
